

# Henking Hoffman PTA programs

2009 – 2010

## *inspire*

Through the efforts of the PTA, students are able to meet an author, a hedgehog and Mother Goose to bring learning to life. They have worked with professional artists on the creation of permanent pieces of art at both schools, the Mosaic at Henking School and the Wooden Mural at Hoffman. Students were introduced to scientists, tumblers, musicians, and professional actors during all school assemblies.

## *connect*

The PTA celebrates our cultural diversity through our International Night each January at Hoffman School. The 5th grade picnic, Memory Book Club and Holiday Helper has parents and students working together. We offer a great fun evening at our Fall Carnival and Movie Nights.

## *support*

Through the PTA fundraising activities, our schools have been able to upgrade to wireless technology, purchase gym equipment, support the renovation of the Henking Learning Center, replace old and worn supplies, and purchase new books. The PTA also organizes parent volunteers for the Learning Centers, school and health offices. Maintain an informative website and provide email alerts. We sponsor teacher appreciation lunches and stipends for classroom spending.

## *you can help*

As it stands, the PTA operating budget could be divided evenly between all enrolled at Henking and Hoffman at \$25 per student. We realize that this contribution is not feasible for everyone. Please think about what you've donated or spent in the past and the value of our programs for your children, their classmates and their teachers. We believe that value is high and hope you'll make a generous, tax-deductible contribution today. Thank you!
